VEHICLES AND EQUIPMENT (TRANSPORT)**

BID-BULLETIN NO. 4

All prospective bidders are hereby informed of the amendment/correction on the bidding documents, pursuant to the May 05, 2017 Re-Scheduled Bid Conference.

1. The term “depot” is defined in page 2, letter (d) under Definition of Terms of the **Terms of Reference (TOR)** as “Domestic fuel supply sources of Supplier/Contractor.”
2. For purposes of clarification and in order to determine the eligibility to bid of prospective bidders, this above-quoted definition is hereby amended/clarified to mean any depot, warehouse or storage facility which could accommodate/house the necessary volume of at least 120,000 liters of fuel in one day delivery, as well as oil and other lubricants in order to ensure the ready and steady supply as required or demanded by the procuring entity/end-user.

In view thereof, the prospective bidders who wish to participate in the bidding process of the above stated project shall be required to incorporate in their eligibility requirement a certification indicating the corresponding storage capacity of their storage facilities and the exact location thereof.

3. Submission of bids for the above mention project shall be until 1:00 PM of May 16, 2017 while opening of bids for the above stated project shall be @ 2:30 PM on May16, 2017.
4. The certification referred in item # 2 second paragraph above, must be notarized.

This bid bulletin shall form an integral part of the bid documents for the project to be bid.
