

**METRO Solusyon (AKO, KASAMA SA SOLUSYON)** is the official website of the Metro Manila Development Authority (MMDA) where you can OFFICIALLY report complaints against any MMDA personnel involved in corrupt practices (like "lagay", "kotong", "payola") or other illegal activities for the Agency to take swift action from.

MMDA's mission through this website is to help eradicate corruption in the streets of Metro Manila by encouraging & strengthening citizen participation. All valid complaints/reports shall be processed LEGALLY, and all actions taken relative to valid complaints shall be posted in this site. Please orient yourself on our website pages here first to find out exactly what we need from you, then report an incident and provide all the information required for the Agency to take proper action.
