MMDA Resolution No. 07-14
Series of 2007

REQUIRING THE NUMBERING OF ALL HOUSES ALONG THE BANKS OF THE WATERWAYS FOR SANITATION MONITORING PURPOSES

WHEREAS, it has been observed that piles of garbage are thrown into the waterways everyday thereby causing the water to pollute and at the same time block the flow of water that often leads to flooding during rainy season;

WHEREAS, it has been noted that these piles of garbage are indiscriminately thrown by people living near the waterways unmindful of the hazards posed by such illegal act;

WHEREAS, the Constitution of the Republic of the Philippines provides that the State shall protect and advance the right of the people to a balanced and healthful ecology in accord with the rhythm and harmony of nature;

WHEREAS, Presidential Decree No. 825 and MMDA Regulation No. 96-009, prohibit littering or throwing of garbage, filth, or any other waste matters in public places, such as roads, parks, vacant lots, rivers, canals, "esteros", drainage and other waterways;

WHEREAS, RA 7924 provides that the scope of MMDA services includes among other things, health and sanitation, urban protection and pollution control which include the formulation of policies, rules and regulations, standards, programs and projects for the promotion and safeguarding of health and sanitation of the region and for the enhancement of ecological balance and the prevention, control and abatement of environmental pollution;

WHEREAS, there is now an urgent need to regularly monitor the houses along the banks of the waterways by numbering all these houses to easily identify those who are throwing piles of garbage in the waterways and prevent further impairment of the quality of water therein;
